“Today’s announcement is yet another exciting milestone in our rapidly growing low cost, non-stop service for Lowcountry travelers,” said Elliott Summey, Charleston Airport Director and CEO. It is exciting to have another new air carrier at Charleston International and our first non-stop service to New Haven, Connecticut. Avelo’s partnership with CHS solidifies our commitment to increasing flights to the northeast.”

"Avelo's decision to expand service to the Lowcountry within its first year of operation exemplifies the Charleston area's economic strength and potential. Our region's travel industry enjoyed a robust recovery last year that consistently outpaced national averages. The opportunity to develop this new partnership with Avelo and expand access to and from the Northeast is a significant step toward maintaining that momentum in 2022," said Helen Hill, CEO of Explore Charleston and Board Chair of the Aviation Authority.

### **The New Haven Way to Connecticut**

Amidst the crowds, long lines, lengthy walks and traffic congestion encountered at other airports frequented by travelers to and from the region, HVN offers a refreshingly smooth and simple alternative hometown airport experience. HVN’s adjacency to multiple major highways and commuter railways make it Connecticut’s most convenient and easily accessible airport.

"We are so excited to be expanding our non-stop service from six to ten destinations. Whether it's spring break in Myrtle Beach, a visit to historic Charleston and Savannah or a trip to the Music City, you can now get there at low cost from right here in New Haven thanks to Avelo Airlines," said Sean Scanlon, Executive Director of the Tweed-New Haven Airport Authority.

Best known as the home of Yale University, New Haven is the second largest city in Connecticut and is part of the New York metropolitan area. The coastal city has experienced—and continues to enjoy—a renaissance. Within an easy stroll from the New Haven Green are more than 100 distinctive restaurants, offering something for every palate, and the city abounds with theaters, museums, and shopping destinations to satisfy all interests and tastes.

New Haven has a rich cultural heritage, from museums and theatres to music festivals and entertainment throughout the year, including the New Haven Jazz Festival, the annual St. Patrick’s Day Parade, and the Wooster Square Cherry Blossom Festival that regularly bring thousands of visitors to the city.

In early November 2021, Avelo began serving Customers in Southern Connecticut from its first East Coast base at HVN. Avelo currently serves six popular Florida destinations from HVN. Along with Charleston, Avelo will begin serving Myrtle Beach, S.C.; Savannah, Ga./Hilton Head, S.C.; and Nashville in May.

### **A Different, Better and More Affordable Travel Experience**

There is no charge for Customers who choose to make reservations by phone. Additionally, Avelo offers several unbundled travel-enhancing options that give Customers the flexibility to pay for what they value, including priority boarding, checked bags, carry-on overhead bags, and for bringing a pet in the cabin.

Avelo operates single-class, fuel-efficient 147-seat 737-700 Boeing jets to HVN, offering Customers a more spacious and comfortable experience than the regional aircraft historically serving this airport. Customers may choose from several seating options, including seats with extra leg room, as well as pre-reserved window and aisle seating.

Avelo became America's first new scheduled airline in nearly 15 years when it initiated service on April 28, 2021, from its first base at Los Angeles' Hollywood Burbank Airport (BUR).
