

Charleston Tennis Circuit - Upcoming Fall 2020 & 2021 Tournament Schedule

Charleston Tennis Circuit hosts several junior and adult Universal Tennis Rating (UTR) tournaments in various clubs throughout the Charleston area to increase competitive playing opportunities and support level based tennis. The tournaments guarantee each participant a certain amount of matches to make the most of their time rather than single elimination.

What is also unique to Charleston Tennis Circuit is the focus on providing a good time, not only on the court, but off the court as well with food, music, photo booth, players' lounge with Wii gaming system and more. Unfortunately due to Covid-19, some of those items have to be put on pause, but there will be fun virtual activities and welcome bag items to make sure the fun doesn't stop.

To further note on Covid-19, Charleston Tennis Circuit adheres to strict safety guidelines to ensure a safe environment for all. These measures include face masks for staff, 6ft social distancing at all times, no player contact after matches, staggered playing times, disinfecting stations, allotted time for staff to clean in-between matches to name a few.
